TO:

President, Ms.Yuka Nakamura
NARIKA Science Products Co., Ltd. Tokyo, Japan

Letter of Appreciation

On behalf of our department, I am pleased to express thanks to NARIKA Co.,Ltd. Tokyo, Japan because we have received several teaching science materials sample listed below through Prof N.Osumi on 16 August 2016.

As the department, we would like to use those items effectively as much as possible. We also put a poster which mentioned "NARIKA Co.,Ltd. Donation for friendship together with Thai and Japan" and would like to keeping proper manner under Professor Norikazu Osumi's advice.

Thank you once again and hope to have good linkage with your company and better cooperation in a near future.

Sincerely yours

List of items:

U-shaped strong magnet: 2 pieces
Pop-up type Galvanometer: 4 pieces
Hand dynamo (GENEKON): 4 pieces

A handwritten signature in blue ink, consisting of a large, stylized initial 'S' followed by a cursive name.
